REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when his Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order "from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active "and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have "been actually employed in the Service of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's license and permission doth not authorize, and shall not be deemed or "construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege "appertaining unto a Knight Batchelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the Service for which it is proposed to confer the Order has been performed during "War, the Notification required by the 2nd Regulation must be made not later than two years after "the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two "years of the date of such Service."

8th. "When a British Subject has received the Royal Permission to accept a Foreign Order he will "at any future time be allowed to accept the Decoration of a higher Class of the same Order, to "which he may have become eligible by increase of rank in the Foreign Service, or in the Service "of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance "of the original Order, and common to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843. (Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to "apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her pre- "decessors, Their Majesties King George IV. and King William IV., on whose Heads the Crowns of "Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign "for Services rendered according to the purport of the 5th Clause of the Regulations. They must be "rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as "having no reference to Services rendered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846. (Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN MEDALS.

The Queen has been pleased to direct that:

1st. "APPLICATION for permission to accept and wear Medals which, not being the decoration "of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in "the Navy, for military or for naval services, should be addressed, as the case may be, to the Com- "mander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if "they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, "for Her Majesty's sanction; upon obtaining which, they may grant such permission without any "other formality."

2nd. "Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such "Medal is bestowed for military or naval services. But no permission is necessary for accepting "a Foreign Medal, if such Medal is not to be worn."

Foreign Office, January 24, 1851. (Signed) PALMERSTON.

SCHOOLS.

CIRCULAR (No. 1163).

WAR OFFICE,
12th June, 1854.

General No. 91. 3.

SIR,

1. In transmitting herewith, for your information and guidance, copies of New Army School Regulations, I am directed to draw your particular attention to the chief alterations to be effected thereby.

2. Schoolmasters, instead of, as before, being classed as Garrison, Regimental and Assistant, will be divided into Four Classes, the Fourth Class being Assistant Schoolmasters.

3. Each of these Classes will have a different rate of pay assigned to it; and promotion to the higher Classes will be made by the Secretary at War, for good conduct and ability only.

4. The pay of each Class will be as follows:—

	s.	*d.*	
First-class Schoolmasters.....	7	0	a day.
Second-class do.	5	6	„
Third-class do.	4	0	„
Fourth-class (Assistant Schoolmasters)..	2	0	„

5. The First-class Schoolmasters will receive Warrants from the Seeretary at War, which will entitle them to be classed as Warrant Officers, and to rank next to a Commissioned Officer, and will bring them specially under certain clauses of the Articles of War.

6. Instead of being clothed in the uniform of their respective Regiments, all Schoolmasters will, when they are entitled to their next issue of clothing, receive a plain uniform of one general character.

7. The Fees paid by Soldiers who attend School, three-fourths of which Fees have hitherto been paid to the Schoolmaster, will henceforward be wholly credited to the public.

8. The allowance to the Schoolmaster for instructing or superintending the instruction of the Female Children, will be discontinued; but he will not be relieved from the performance of this duty.

9. Beer Money is not in future to be issued to any class of trained Schoolmasters.

10. Notwithstanding the above-mentioned deductions from the former emoluments of the Schoolmaster, the increase of pay and pension now awarded will be an increase over his previous average receipts; while the prospect of promotion (depending upon his own conduct and exertions), and the fixed nature of his income, will greatly improve his situation.

11. You will observe that the payment hitherto required from voluntary attendants at the School, for the cost of copy-books, will no longer be demanded; it being considered desirable to afford every proper encouragement to voluntary attendance.

12. The allowance to the Schoolmistress will remain the same as before; but she will not be required to provide out of it materials and implements of work, which will be paid for by the public.

13. The new Regulations will take effect from the 1st July, 1854.

14. In conclusion, I am to observe that the Secretary at War feels that the success of the present system of Army Education by means of trained Masters, depends in a great degree upon the interest taken in its operation by the Commanding Officers of Regiments or Garrisons; and I am accordingly to express Mr. Sidney Herbert's earnest hope that you will co-operate with him in endeavouring to promote this important object, the attaintment of which he has had chiefly in view in the alterations, pointed out in this letter, in the position, rank and pay of the Trained Schoolmaster.

I have the honour to be,
Sir,
Your obedient Servant,
B. HAWES.

To Officers Commanding Regiments and Depôts
at Home and Abroad,
&c., &c., &c.

ARMY SCHOOL REGULATIONS.

Schoolmasters' Qualification.

1. Schoolmasters appointed under the authority of the Secretary-at-War must previously have undergone training at the Royal Military Asylum, and have obtained a certificate of qualification.

Classification.

2. Army Schoolmasters are to be divided into four classes, and are to be thus designated:—

First-class Schoolmasters.
Second-class do.
Third-class do.
Fourth-class (Assistant Schoolmasters.)

Rank.

3. The First-class Schoolmaster will be a warrant officer, and will rank after the Commissioned Officers; and the Second and Third-class Schoolmasters will rank next to the Serjeant Major; and the Assistant Schoolmaster as a Serjeant.

Neither the Schoolmaster nor his Assistant is to be under the authority of any Non-commissioned Officer, as regards the duty of his office.

The Assistant Schoolmaster will be under the immediate superintendence and control of the Schoolmaster of the Garrison or Regiment to which he may, for the time being, be attached; and will be liable to obey all directions he may receive from such Schoolmaster in regard to his duties in the

School, and in preparing returns, &c., connected therewith; subject, of course, to such orders as may be issued by the Officer commanding the Garrison or Regiment; and such Schoolmaster will consider it his duty to advise his Assistant as to his general conduct, and will include in his monthly report to the Secretary-at-War a report as to that conduct, and the manner in which generally the Assistant has performed his duties during the previous month. The Secretary-at-War relies with confidence upon the Schoolmaster setting a proper example, at all times, to every Assistant under his care, and training him, as far as he can, for the future, as well as the present duties he has to discharge.

The Assistant Schoolmaster is to have access to the books furnished for the use of the school, after school hours, for the purposes of study; and the Schoolmaster will afford him every assistance in his power to advance him in his studies.

Promotion.

4. Promotion from one class to another shall be made by the Secretary-at-War, upon the recommendation of the Inspector-General of Schools, for merit only; and the Secretary-at-War may reduce a Schoolmaster from a higher to a lower class for misconduct.

In the event of the Assistant Schoolmaster being selected by the Secretary-at-War for promotion to the higher rank of Schoolmaster, on account of his zeal and intelligence in the performance of his duties, and his exemplary conduct as an Assistant Schoolmaster, he must, for the purpose of qualifying himself for the higher appointment, undergo a further course of instruction in the Royal Military Asylum, during which period he will not be entitled to pay.

Pay.

5. The pay of each class shall be as follows:—

	s.	*d.*	
First-class Schoolmasters	7	0	a day.
Second-class do.	5	6	,,
Third-class do.	4	0	,,
Assistant Schoolmasters.....	2	0	,,

No Schoolmaster or Assistant Schoolmaster will be entitled to beer money.

Should a Schoolmaster be accepted for re-enlistment for a further term of service as Schoolmaster, his pay from the date of such re-enlistment will be 1*s.* a day in addition to his former pay.

Clothing.

6. The clothing shall be of the same general pattern as that provided for students at the Royal Military Asylum, and shall be as follows:—

FIRST-CLASS SCHOOLMASTER.

1 Frock Coat, with Three Stars worked in gold thread on the Collar.....	To be renewed annually.
1 Pair of Trowsers	
1 Pair of Boots.....	
1 Pair of Shoulder Knots.....	Do. biennially.
1 Cap, with a Crown in front, worked in gold thread; and Oilskin Cover	
1 Silk Sash.....	

Digitized by Google

SECOND-CLASS SCHOOLMASTER.

The same as the First-Class Schoolmaster, with the exception of the Stars on the Coat, which are to be two in number only.

THIRD-CLASS SCHOOLMASTER.

The same; but with one Star only on the Coat.

ASSISTANT SCHOOLMASTER.

The same as the First-class Schoolmaster; but without Shoulder Knot, or a Star on the Coat, or a Crown on the Cap; and a Silk Girdle instead of a Silk Sash.

The Clothing of Assistant Schoolmasters and of Schoolmasters attached to Garrisons, to Depôt Battalions, to Militia Regiments, and to Regiments having no Colonels, will be supplied upon requisitions (Form No. 76) being forwarded to the Secretary-at-War, countersigned by the Commanding Officer of the Garrison or Corps to which the Schoolmaster or Assistant Schoolmaster is attached.

The Clothing of other Schoolmasters will be supplied, as heretofore, by the Colonels of their respective Regiments, but must be in accordance with the above description of dress, patterns of which will be deposited at the Consolidated Board of General Officers.

Quarters.

7. Should no Special Quarters attached to the school be provided for the Schoolmaster, he, if a First-class Schoolmaster, will be entitled to two rooms, and to fuel, and light and furniture for the same. The Second and Third-class Schoolmasters will be entitled to one room, and fuel, and light and furniture for the same; and will have choice after the Serjeant Major.

The Assistant Schoolmaster will be entitled to one room, and fuel, and light and furniture for the same.

If Special Quarters can be provided for the Schoolmaster, the room for the Assistant should be in those Quarters. If no Special Quarters are provided, his room should be as near as possible to the rooms of the Schoolmaster.

Messing.

8. The Schoolmaster will mess in his own quarters.

The Assistant Schoolmaster will mess with the Schoolmaster under whose superintendence he is placed.

Pension.

9. The pension to which the trained Schoolmaster will be entitled, when placed on the Pension List, will be, for the First Class, 6*d.* a day in addition to that of Serjeant Major; for the second class the same as a Serjeant-Major; and for the third class, 6*d.* a day in addition to that of Serjeant.

The Assistant Schoolmaster will have the same claim to pension as a Serjeant.

Should he be appointed a Schoolmaster, the service performed by him as Assistant Schoolmaster after the age of eighteen will reckon only as half, towards the completion of the service required in the rank of Schoolmaster, or to obtain the pension attached to the same under the Regulations.

11. Claims for reimbursement of expenses actually and necessarily incurred by trained Schoolmasters and Assistant Schoolmasters on joining the Regiment or in visiting Detachment Schools, or for carriage of Books and Stationery for the use of the School, should be forwarded Quarterly by the Paymaster to the Secretary-at-War for a special authority to charge the same in the Pay List, on War Office Form 841, accompanied by the proper Receipts and Vouchers.

12. The application from the Schoolmaster for permission to marry should be forwarded for the consideration of the Secretary-at-War by the Commanding Officer, accompanied by his opinion of the character and respectability of the person whom the Schoolmaster is desirous of marrying.

Upon Foreign Stations the application is in like manner to be forwarded to the General or other Officer commanding, who, if he thinks proper, will sanction the marriage, reporting the same to the Secretary-at-War.

Schoolmaster's Wife.

13. When the Schoolmaster proceeds with the service companies of his Regiment to a Foreign Station, his wife is to be borne as a supernumerary to the number of women allowed, and the married Schoolmaster will have a separate cabin for himself and his wife. Should she be the Regimental Schoolmistress, she will proceed at the public expense with the Regiment, whenever it changes quarters, at home or abroad.

Misconduct.

14. The following is an extract from instructions issued by direction of His Grace the late Commander-in-Chief:—

> "The Schoolmaster, when attested and enlisted under the Provisions "of the Mutiny Act, is amenable to trial for all Offences against its "provisions; but considering the circumstances attending the educa- "tion and position of the Schoolmaster, the Commander-in-Chief de- "sires, that in case of any misconduct of the Schoolmaster occasioning "his being placed in arrest, with a view to his trial by Court Martial, "the facts and circumstances of the case may be reported to the Com- "mander-in-Chief for such directions as he shall think fit to give."

Monthly Report.

15. The Schoolmaster will transmit, on the First of each Month, through the Commanding Officer, a report to the Secretary-at-War, on War Office Form No. 367, of the number of Adults and Children attending the Schools during the previous Month, and of their progress, filling up the column of Remarks with such observations as he may consider necessary. This Report

to be countersigned by the Officer commanding, with any remarks he may consider it desirable to make.

Communications from Schoolmaster.

16. All other communications from the Schoolmaster are to pass through his Commanding Officer, and are to be addressed to the Secretary at-War. The Commanding Officer is to forward all such communications without any unnecessary delay to the Secretary-at-War, with his signature attached thereto, as recommending or approving the application, or accompanying the same with any remarks which he may consider necessary.

Subscriptions, Rates of.

17. On the appointment of a trained Schoolmaster to a Regiment, the rates prescribed by Her Majesty's Regulations to be paid by Non-commissioned Officers and Soldiers; viz.—

Serjeants	8*d.* a Month,
Corporals	6*d.* ,,
Drummers and Privates	4*d.* ,,

instead of being paid to the Schoolmaster, are to be credited to the public.

Subscriptions, how to be charged and credited to the Public.

18. The amount of Soldiers' Subscriptions at these rates is to be charged to the men monthly from the dates on which they commence to receive instruction from the Schoolmaster, and is to be paid to the Paymaster, who is to give credit for the same in his current Pay List, or if the Regiment is in India, the amount is to be remitted to England through the remittance return.

Monthly Return of Subscribers to be rendered to the Paymaster.

19. The Schoolmaster is to furnish to the Paymaster a monthly List of the Non-commissioned Officers and Men who have received instruction from him, containing the names according to rank, and the dates from and to which they have attended the School. This return will enable the Paymaster to charge the Officers paying Troops and Companies with the Amount due from the men, and should be retained by the Paymaster.

Quarterly Return of Subscriptions to be rendered to the War Office.

20. The Schoolmaster is to render to the Secretary-at-War, immediately after the expiration of each Quarter to 31st March, 30th June, 30th September and 31st December, a separate Quarterly Return, on War Office Form No. 369, showing the amount which has been received during the period and credited to the public. On this Form the Schoolmaster will be careful to state the number of Non-Commissioned Officers and Men who have attended the School during the quarter, and to avoid including the same individual more than once.

Books and Materials.

21. On the appointment of a trained Schoolmaster to a Regiment, a complete set of Books and Materials will be furnished for the use of the School.

Digitized by Google

Such further supplies as may be actually required will also be furnished (except to Regiments in India) upon transmission to the War Office of a requisition in duplicate in Form No. 372.

These supplies will include books and materials for the general use of the School, and small quantities of stationery for the use of the Schoolmaster.

No books or materials will be supplied that are not applied for in the precise terms by which they are designated in the authorized list.

Supply of Forms.

22. Blank Forms for the use of the School should be separately applied for by the Commanding Officer in his periodical requisition, on War Office Forms Nos. 406 and 407.

Damage to School Books and Materials.

23. To secure the preservation of the books and materials supplied by the Public for the use of the School, Non-commissioned Officers and Soldiers attending the same, who may commit any damage to the School property, either wilfully or through carelessness, will be required to repay the value thereof as fixed by the Schoolmaster, subject to the approval of the Commanding Officer in regard to the amount, and the sum so levied should be reported by the Schoolmaster to the Paymaster, who will recover the same, and credit the amount in his accounts.

Repairs of School Books and Materials.

24. Quarterly Returns on War Office Form No. 403 should be transmitted to this Office in duplicate by the Paymaster, showing the estimated cost of any repairs required to the School property, and also the amount which has been recovered from Soldiers and credited to the public for wilful damages.

Carriage of School Books and Materials.

25. Any expense incurred for the conveyance of School property from one station to another is to be defrayed out of the commuted rates granted by Article 36, page 21, of the War Office Regulations of 1st July, 1848.

School Accommodation.

26. Should means not exist in the School-room for effectually establishing the new system of instruction, the Commanding Officer should represent the same to the Secretary at-War, with full particulars of the dimensions of the School, the defects thereof, and the manner in which they may be remedied.

Fuel and Light for the School.

27. If, in consequence of the number of men attending the School, the supply of Fuel and Light by the Ordnance Department for the use thereof be insufficient, a representation to this effect should be made by the Commanding Officer to the Secretary-at-War, stating the quantity of Coals and Candles supplied, the number of lights the latter affords, the dimensions of the School, the number of men attending the same, and the increased quantity which is deemed absolutely necessary. It should also be stated whether means exist for supplying the School with gas.

Detachment Schools to be visited.

28. Whenever, on account of the detached state of a Regiment, it is found necessary to establish Detachment Schools at home, the trained Schoolmaster is to visit such Schools once in each month, provided the number of adults attending such School be not less than twenty-five, but not otherwise, without the previous sanction of the Secretary-at-War, and to embody in his monthly report, on Form 367, a separate report as to the state of instruction in such Detachment Schools.

Assistant Schoolmaster's Appointment.

29. The Assistant Schoolmaster is attached temporarily to such Garrisons or Regiments only as have a trained Schoolmaster appointed by the Secretary-at-War for the purpose of assisting the Schoolmaster in his duties, when such assistance may be required, and will be liable therefore to be removed to other stations by the Secretary-at-War as he may think proper; but he is not to be removed from the station to which he has been appointed without the previous sanction of the Secretary-at-War.

Attestation of Schoolmaster.

30. On the appointment of a trained Schoolmaster to a Regiment by the Secretary-at-War, a certified copy of his Attestation will be transmitted to the Officer commanding, and his service in the Regiment should be recorded on the third page thereof, dispensing with the usual Regimental number.

Attestation on Transfer.

31. On the transfer of the Schoolmaster to another Regiment, the copy of his Attestation, completed to the date of transfer, should be transmitted to the Officer commanding the Regiment to which he is transferred.

Admission of Soldiers into the Normal School for Training.

32. Applications for the admission of Soldiers into the Royal Military Asylum for the purpose of being trained as Schoolmasters for the Army should be transmitted to the Secretary-at-War by the Officer Commanding the Regiment to which they belong, stating their age and service. They must be unmarried, and of not lower rank than full Corporal, and cannot be received except after examination.

Applications for Schoolmasters.

33. Applications from Commanding Officers of Regiments for a trained Schoolmaster should be addressed to the Secretary-at-War.

Training and Selection of Soldiers for Duty of Acting Schoolmaster.

34. With a view to provide a qualified Soldier to act in case of need as Schoolmaster, either to the Service or Depôt Companies, upon the former being ordered to proceed abroad, the Schoolmaster should in anticipation train one or two men of the Regiment in such manner as to secure one competent and available for this duty; and when the Regiment has received orders to proceed on Foreign Service, the name and rank of the Soldier best qualified to act as Schoolmaster should be furnished to the Secretary-at-War

by the Commanding Officer, with an intimation when it is probable that the Depôt Companies will be formed.

Soldier Assistants, Rate of Allowance to, and Number allowed.

35. An allowance of 3*d.* a day may be paid without special authority to such number of Soldiers, selected by the Commanding Officer to assist the Schoolmaster as may be found necessary, under the following restrictions:—

When a trained Assistant is attached to the Regiment or Garrison;

One Soldier Assistant when the numbers of adults attending the School reach		130
Two	ditto	180
Three	ditto	230

and one additional for every additional 50 men.

When there is no trained Assistant;

One Soldier Assistant when the numbers reach		60
Two	ditto	100
Three	ditto	140

and one additional for every additional 40 men.

The charge for these Allowances in the Pay List must be supported by a certificate from the Commanding Officer of the number of adults actually attending the School during the quarter, and showing whether one or more trained Assistants are attached to the Garrison or Regiment, and by the receipts of the men for whom the charge is made.

CHILDRENS' SCHOOLS.

Schoolmistress.

36. In every Regiment and Depôt in which the Soldiers receive instruction from a trained Schoolmaster, appointed by the Secretary-at-War, an Infant School shall be established, of which the Schoolmistress shall have sole charge, for the purpose of affording instruction to the younger Children of both sexes, whose parents may be desirous thereof.

Instruction and Attendance.

37. The Children who may attend the Infant School shall receive general instruction in a room apart from the ordinary Schoolroom, from 9.20 to 12 o'clock every morning, in reading and writing, until they are able to read words of two syllables at least.

Instruction by Trained Schoolmaster.

38. The Children who have advanced to this point, both male and female, shall then attend in the ordinary Schoolroom, from 9.20 to 12 every morning, for the purpose of receiving general instruction from the trained Schoolmaster or his Assistant.

Industrial School.

39. There shall likewise be established a School of Industrial Occupation, under the charge of the Schoolmistress, in which the Female Children shall be instructed between the hours of 2 and 4 in the afternoon, daily, in

knitting, sewing, and household occupations, and in which the younger Boys may also attend for the same purpose, should their parents desire it.

Rates of Payment by Parents.

40. Non-commissioned Officers, Drummers and Privates, whose Children shall attend the Infant and Industrial Schools, or either of them, shall for the present be required to pay at the following rates for the same, viz. :—

1. Two Pence per month for one Child only.
2. Three Halfpence per month for each Child, if two of the same family attend.
3. One Penny per month for each Child, if three or more Children of the same family attend.

Any part of a month to be paid for as a whole month.

Account to be kept by Schoolmistress.

41. The Schoolmistress shall keep a Record of the Children who attend the Infant and Industrial Schools; and on the first School-day of each month shall collect the money due for the Children's instruction, and enter the same against their several names. This Account when properly made up and signed by the Schoolmistress, shall be submitted for the approval and signature of the Commanding Officer; and when signed by him, the amount so collected may be appropriated for the use of the Schoolmistress.

Allowance to Schoolmistress.

42. The Schoolmistress will be allowed 14*l.* per annum in each Regiment of Cavalry, and 2*l.* per Company per annum in each Regiment of Infantry, in addition to the amount which she may receive for the instruction of Children in the Infant and Industrial Schools.

Estimates for the purchase of such materials and implements of work as may be absolutely necessary, with a statement showing when the previous supply was received, and the quantity of each article remaining serviceable, are to be forwarded to the War Office, for the Secretary-at-War's sanction, before any expense is incurred.

The Estimates are to be signed by the Schoolmistress, the Schoolmaster, and the Officer Commanding.

Children of Civilians.

43. The Children of Barrack Serjeants, of Warders and Servants of Military Prisons, or of Pensioners or discharged Soldiers holding any civil situation at the station where a Garrison or Regimental School with a trained Schoolmaster is established, may attend the same on payment of 3*d.* weekly for each Child to the Schoolmaster, if they attend his classes; and of 2*d.* weekly to the Schoolmistress for each Child attending the Infant and Industrial Schools, or either of them.

Instruction of Officers' Children.

44. The Children of Garrison or Regimental Officers may receive instruction from the trained Schoolmaster at such hours as do not interfere with his School duties; but payment must be made by the parents of the same, at such rates as may be agreed upon between them and the Schoolmaster.

Examination of Infant School by Schoolmaster.

45. The Schoolmaster shall examine the Infant School once a quarter, and furnish a report of its state and progress to the Commanding Officer of the Regiment or Garrison to which he is appointed.

The above Regulations, 1 to 45, apply solely to Regiments which receive instruction from a trained Schoolmaster appointed by the Secretary-at-War.

Attendance.

46. The Commanding Officer shall appoint the hour at which general instruction shall commence in the School for adult Soldiers, allowing sufficient time previously, when necessary, for the religious instruction of all such as do not object, upon religious grounds, to attend Prayers, the reading of the Scriptures and the Scripture Lessons, and who shall be required to attend at the time the School is first opened for Prayers, and before it is opened for general instruction.

The hour for commencing the general instruction of the Children being fixed by Article 37 of these Regulations at 9·20 A.M., all Children whose parents do not on religious grounds object to their attending at Prayers, &c., should attend at 9 o'clock, A.M., for this purpose.

Commanding Officers, except when duty interferes, are to adhere strictly to such hours of attendance at School, both by Adults and Children, and are to certify in the Monthly School Reports that such hours of attendance are adhered to; but when changes in this respect are necessary, the Commanding Officer is to notice the fact in his next Monthly Report, and assign the cause.

All Soldiers who are Roman Catholics or Dissenters from the Church of England, may, on signifying their wish to that effect to the Commanding Officer, or to the Schoolmaster, if the Commanding Officer should so direct, absent themselves during the time devoted to Prayers, the reading of the Scriptures and the Scripture Lessons, which shall take place at the time fixed before the School opens for general instruction; and all Soldiers who are Roman Catholics or Dissenters from the Church of England who have so absented themselves, shall attend at the time appointed by the Commanding Officer for opening the School for general instruction.

In like manner the Children of Roman Catholic Soldiers, or of Soldiers dissenting from the Church of England, may be allowed to absent themselves from 9 A.M. to 9·20, when religious instruction is afforded, provided their parents signify their wish to this effect in writing to the Schoolmaster or Schoolmistress, and such Children should attend at the opening of the School for general instruction, viz., at 9·20.

These Regulations are to take effect from the 1st July, 1854.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when his Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order "from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active "and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have "been actually employed in the Service of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's license and permission doth not authorize, and shall not be deemed or "construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege "appertaining unto a Knight Batchelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the Service for which it is proposed to confer the Order has been performed during "War, the Notification required by the 2nd Regulation must be made not later than two years after "the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two "years of the date of such Service."

8th. "When a British Subject has received the Royal Permission to accept a Foreign Order he will "at any future time be allowed to accept the Decoration of a higher Class of the same Order, to "which he may have become eligible by increase of rank in the Foreign Service, or in the Service "of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance "of the original Order, and common to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843. (Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to "apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her pre- "decessors, Their Majesties King George IV. and King William IV., on whose Heads the Crowns of "Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign "for Services rendered according to the purport of the 5th Clause of the Regulations. They must be "rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as "having no reference to Services rendered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846. (Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN MEDALS.

The Queen has been pleased to direct that:

1st. "APPLICATION for permission to accept and wear Medals which, not being the decoration "of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in "the Navy, for military or for naval services, should be addressed, as the case may be, to the Com- "mander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if "they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, "for Her Majesty's sanction; upon obtaining which, they may grant such permission without any "other formality."

2nd. "Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such "Medal is bestowed for military or naval services. But no permission is necessary for accepting "a Foreign Medal, if such Medal is not to be worn."

(Signed) PALMERSTON.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when his Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order "from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active "and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have "been actually employed in the Service of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's license and permission doth not authorize, and shall not be deemed or "construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege "appertaining unto a Knight Batchelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the Service for which it is proposed to confer the Order has been performed during "War, the Notification required by the 2nd Regulation must be made not later than two years after "the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two "years of the date of such Service."

8th. "When a British Subject has received the Royal Permission to accept a Foreign Order he will "at any future time be allowed to accept the Decoration of a higher Class of the same Order, to "which he may have become eligible by increase of rank in the Foreign Service, or in the Service "of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance "of the original Order, and common to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843. (Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to "apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her pre- "decessors, Their Majesties King George IV. and King William IV., on whose Heads the Crowns of "Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign "for Services rendered according to the purport of the 5th Clause of the Regulations. They must be "rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as "having no reference to Services rendered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846. (Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN MEDALS.

The Queen has been pleased to direct that:

1st. "APPLICATION for permission to accept and wear Medals which, not being the decoration "of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in "the Navy, for military or for naval services, should be addressed, as the case may be, to the Com- "mander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if "they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, "for Her Majesty's sanction; upon obtaining which, they may grant such permission without any "other formality."

2nd. "Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such "Medal is bestowed for military or naval services. But no permission is necessary for accepting "a Foreign Medal, if such Medal is not to be worn."

(Signed) PALMERSTON.

Regulation in regard to the LEVÉES at the Horse Guards.

OFFICERS desirous of attending the Levées of the General Commanding-in-Chief, or the Military Secretary, are requested, in making their application, to state the object of the interview solicited.

Militia.

OFFICERS COMMANDING MILITIA REGIMENTS *are requested to forward to the* SECRETARY-AT-WAR *a List of the Officers of their respective Regiments who may have served in Her Majesty's Army, or that of the East India Company, previously to their appointment to the Militia, showing the last rank held by them and the particular Regiment in which they served.*

The names of Officers upon whom the ORDER OF THE BATH has been conferred, of Officers who have received GOLD MEDALS or SILVER MEDALS, or REWARDS for distinguished Service, having been frequently published, will no longer appear in the MONTHLY ARMY LIST.

For the convenience of those Officers who may wish to possess these Lists, a few copies of the whole may be obtained of Messrs. PARKER & Co.

N.B. All Communications regarding Deaths, (more particularly of those Field Officers who have retired from the Army, but whose Names are specially allowed to be retained, and of Officers having Local Rank,) Errors or Omissions, which may be discovered in this, or in the ANNUAL Army List (which is also published by AUTHORITY), should be addressed, verified by *real Signature*, to "The Right Honorable THE SECRETARY AT WAR," marking the words "*Army List*" on the corner of the cover.

No Army Lists, except the ANNUAL published by Messrs. Clowes, and the MONTHLY by Messrs. Parker & Co., ARE AUTHORIZED BY THE WAR OFFICE.

CIRCULAR, No. 1164.

189

War Office, 23rd September, 1854.

Sir,—Certain changes having been considered expedient in the Regulations issued from this Department, dated the 31st March last, for the remuneration of Clergymen officiating to the Troops in the United Kingdom, I am directed to transmit herewith for your information a copy of the Regulations as now amended, which are to take effect from the 1st April, 1854, in substitution of those dated the 31st March last.

I have the honour to be,
Sir,
Your most Obedient Servant,
B. HAWES.

To
Officers commanding
Regiments and Depôts at home.

20th September, 1854.

ALLOWANCES TO OFFICIATING CLERGYMEN IN THE UNITED KINGDOM.

From the 1st April, 1854, the Clergymen of each denomination will be paid according to the average number of Officers and Soldiers requiring their spiritual superintendence during the period for which they are to be paid. Such payment shall be made in accordance with the annexed Scale.

To Clergymen of the Church of England.

From 25 to 100 men, at the rate of 10*s.* per annum for each man.
From 101 to 300 men, at the rate of 3*s.* per annum for each man.
From 301 upwards, at the rate of 2*s.* per annum for each man.

To Presbyterian Clergymen.

From 25 to 100 men, at the rate of 7*s.* 6*d.* per annum for each man.
From 101 to 300 men, at the rate of 2*s.* per annum for each man.
From 301 upwards, at the rate of 1*s.* 4*d.* per annum for each man.

To Roman Catholic Clergymen.

From 25 to 100 men, at the rate of 5*s.* per annum for each man.
From 101 to 300 men, at the rate of 1*s.* 6*d.* per annum for each man.
From 301 upwards, at the rate of 1*s.* per annum for each man.

As these rates of payment have been settled with a view to the remuneration of services actually performed, Clergymen must be prepared, when required to do so by the Officer commanding the Troops, to officiate in barracks. If, however, the Church or Chapel be within a reasonable distance of the men's quarters, the Troops should attend Divine Service with the ordinary congregation, should there be the means of providing them with proper accommodation.

The general rule is to be held binding, that unless there be present at the Station 25 men of all ranks, including Officers, belonging to the Church of

England, the Clergyman of that Church there officiating shall not be entitled to any remuneration. The claims thereto of the Presbyterian and the Roman Catholic Clergymen shall in like manner be contingent on the presence at the Station of 25 Officers and Men belonging to their respective persuasions. The average is to be taken upon the numbers composing the Force at any Station on each Sunday Morning during the period the clerical superintendence continues, which numbers are to be furnished by the Commanding Officer upon the requisition of the Clergyman of each denomination.

When the requisite accommodation in the Church or Chapel cannot be obtained, and a Separate Service is consequently necessarily performed at any Station; upon the certificate of the Commanding Officer to this effect, and provided the numbers attending amount to 50, the following additional allowances will be granted to the Clergymen of each denomination respectively.

Church of England.

For each Separate Service, 10*s.*

Presbyterian.

For each Separate Service, 7*s.* 6*d.*

Roman Catholic.

For each Separate Service, 5*s.*

Upon the Troops being withdrawn or falling below the prescribed minimum before the end of a quarter, and upon the Clergyman at such Station certifying that he had been obliged to engage clerical assistance to the termination of the Quarter, solely on account of the Troops, an allowance of 10*s.* a week to the Church of England, of 7*s.* 6*d.* to the Presbyterian, and of 5*s.* to the Roman Catholic Clergyman, will be granted to the end of such Quarter.

The claims of the Clergymen of each denomination shall, as heretofore, be made at half-yearly periods ending 30th September and 31st March; and Commanding Officers are therefore required immediately after the expiration of those periods, to furnish the Clergymen with printed Certificates, to be obtained from this Department, instructing them to forward their claims direct to the War Office for consideration. When the Certificates have been approved, an authority for the payment of the amount due will be issued to the Regimental or other Paymaster at the Station.

The above Regulations are not intended to interfere with the fixed Stipends now allowed, or which hereafter may be allowed, to Clergymen specially appointed to and officiating in Garrisons.

SIDNEY HERBERT.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when his Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order "from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active "and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have "been actually employed in the Service of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's license and permission doth not authorize, and shall not be deemed or "construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege "appertaining unto a Knight Batchelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the Service for which it is proposed to confer the Order has been performed during "War, the Notification required by the 2nd Regulation must be made not later than two years after "the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two "years of the date of such Service."

8th. "When a British Subject has received the Royal Permission to accept a Foreign Order he will "at any future time be allowed to accept the Decoration of a higher Class of the same Order, to "which he may have become eligible by increase of rank in the Foreign Service, or in the Service "of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance "of the original Order, and common to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843. (Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to "apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her pre- "decessors, Their Majesties King George IV. and King William IV., on whose Heads the Crowns of "Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign "for Services rendered according to the purport of the 5th Clause of the Regulations. They must be "rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as "having no reference to Services rendered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846. (Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN MEDALS.

The Queen has been pleased to direct that:

1st. "APPLICATION for permission to accept and wear Medals which, not being the decoration "of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in "the Navy, for military or for naval services, should be addressed, as the case may be, to the Com- "mander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if "they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, "for Her Majesty's sanction; upon obtaining which, they may grant such permission without any "other formality."

2nd. "Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such "Medal is bestowed for military or naval services. But no permission is necessary for accepting "a Foreign Medal, if such Medal is not to be worn."

Foreign Office, January 24, 1851. (Signed) PALMERSTON.

WARRANT

REGULATING

FUTURE PROMOTION AND RETIREMENT

OF

OFFICERS IN THE ROYAL MARINE CORPS.

At the Court at Buckingham Palace, the 13th day of September, 1854,

PRESENT THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

WHEREAS there was this day read at the Board a Memorial of the Right Honorable the Lords Commissioners of the Admiralty, dated the 5th day of August last, in the words following, viz.:—

"Whereas we have had under our consideration the Report of the Commissioners appointed by your Majesty to inquire into the several modes of promotion and retirement in your Majesty's Military Forces, and it being highly desirable, that in any changes that may be adopted in reference to promotion in the Army, the condition of the Royal Marine Corps should not be overlooked, we would venture most humbly to submit to your Majesty, with the view of keeping alive in that meritorious Corps the spirit and zeal so essential to their efficiency, the following propositions:—

1. That Officers, after actually serving in the rank of Lieutenant Colonel or on the Staff, in situations necessarily held by Lieutenant Colonels, for three years, be given the rank of Colonel.

2. That Field Officers, whose Commissions as such date prior to the 19th June, 1854, be allowed to rise by Brevet, as under the Regulations now in force, but no Officer, not then of the rank of Lieutenant Colonel, to rise to that of Colonel, otherwise than by three years' Service in the former rank, or as a Reward for distinguished Service, or by appointment as Aide-de-Camp to your Majesty.

3. That the Lords Commissioners of the Admiralty, with the sanction of your Majesty or the Commander-in-Chief of the Forces, should exercise the power of appointing Colonels of Marines to Commands as Major Generals, without reference to Seniority, and that Colonels or Lieutenant Colonels may be selected to serve as Field Officers of Marines embarked in the Fleet, without reference to Seniority.

4. That Periodical Brevets be prospectively abolished.

5. That there shall be a fixed establishment of ten General Officers of Marines, of whom two may be Generals, three Lieutenant Generals, and five Major Generals.

Digitized by Google

6. That in addition to the above established list of General Officers of Marines, the rank of Major General shall be given to all qualified Officers holding the rank of Colonel on Retired Full Pay of the rank in which they were last serving, whenever any Officer, originally Junior to them in the rank of Colonel, may become Major General on the Established List of General Officers of Marines, but without further increase of Pay.

7. That those General Officers who may henceforth be allowed to receive the Retired Full Pay of the rank in which they last served, shall be placed, according to their Seniority, in the same list with the other General Officers of Marines, but their names, for convenience of reference, to have an asterisk prefixed to them, or to be printed in Italics.

8. That every vacancy on the fixed List of General Officers be filled either by the Senior Lieutenant General or Major General, or by the Senior Colonel serving on the strength of the Corps, unless there should be a Supernumerary Officer (as hereafter explained), in which case the Supernumerary should fill the vacancy, and if there be more than one Supernumerary, a promotion shall take place on every second vacancy only, until the Supernumerary number be reduced.

9. That Promotions shall be made in the ranks of Field Officers below the rank of Colonel from time to time, or as vacancies occur on the Major Generals' List, with a view to secure to those Officers that promotion in the Marines which they would have obtained under the present system.

10. That, in addition to the Colonels promoted to be Major Generals under the foregoing Rules, Colonels of Marines shall be eligible for Promotion to the rank of Major General, Lieutenant General or General, either for brilliant Service in the Field or Afloat, or in consequence of having held Commands, with temporary rank as General Officers, for five years during peace, or for any shorter period during war, which may appear to the Lords Commissioners of the Admiralty, with the sanction of your Majesty, to give a just claim to have their temporary rank made permanent.

11. That any First Lieutenant, Captain or Lieutenant Colonel of Marines, may be rewarded by Promotion for brilliant Service in the Field or Afloat; such Promotion to be by Brevet, and to be converted into Rank on the strength of the Marine Corps at the earliest period that consideration for the claims of other Officers who may have been Senior will admit, at the discretion of the Lords Commissioners of the Admiralty.

12. That the Command of Divisions of Marines be given, without reference to Seniority, to Officers holding the rank of Colonel, whose Services and qualifications may seem best to justify their selection.

13. That the Lords Commissioners of the Admiralty, with the sanction of your Majesty, and with the concurrence of the Commander-in-Chief of the Forces, should exercise the power of selecting Officers of Marines for special Services abroad, and to give such local rank or Promotion by Brevet to such Officers as their merits may appear to require, without regard to Seniority in the Corps.

14. That the Command of a General Officer or of a Division of Marines, and situations on the Staff of the Corps, shall not be held for more than five years, except by re-appointment.

Digitized by Google

15. That the names of all Officers who may quit the Marine Corps in the rank of Field Officers, or having the Order of the Bath, may be retained on the List in Italics.

16. That the Retired Full Pay List be prospectively fixed for the Marine Corps at Thirty-five thousand pounds, being Six thousand pounds more than the actual expense now incurred for the full pay retirement of Officers of all ranks in the Corps, and being only a reasonable compensation for the loss of an annual retirement of two Lieutenant Colonels and two Captains, recently granted, but not as yet in practical operation, though it may not be necessary to reach the maximum amount for some years.

17. Each Officer to receive a step of Rank, together with the full pay of the Rank from which he retires, and the existing restrictions as to the number in each rank on the Full Pay Retired Lists and the numbers who may annually retire to be done away with.

In addition to the foregoing recommendations, by which the general Regulations for the Army may be made applicable to the Royal Marines, it is suggested that the Field Officers of the Marine Corps, in its present strength, should be established as follows, viz.:—

Four Colonels Commandants.

Four Colonels Second Commandants.

Eighteen Lieutenant Colonels, with

One Deputy Adjutant General, with rank not inferior to that of Colonel.

One Assistant Adjutant General, with rank not inferior to that of Lieutenant Colonel.

Two Officers of Marines, to hold the appointments of Aides-de-Camp to your Majesty, to be selected from the rank of Lieutenant Colonel, and promoted to be full Colonel.

In conclusion, we beg leave humbly to represent to your Majesty, that the Lords of your Majesty's Treasury have signified their concurrence in the proposed arrangement."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of the propositions therein contained; and the Right Honorable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

STOPPAGES FROM MEN FROM MILITIA.

E.
Militia.
54

CIRCULAR, No. 1167.

War Office, 31st October, 1854.

SIR,

I AM directed to acquaint you, that the Secretary at War has had under his consideration the position of a great number of men now serving in the Regular Forces, who are undergoing a stoppage of 1*d.* a day from their pay and loss of service, under the provisions of the Mutiny Act, for having enlisted whilst belonging to the Militia.

A large number are under stoppages, who enlisted before any general permission was granted to volunteer to serve in the Regular Forces.

Many, subsequent to the grant of such permission, and aware of it, but ignorant of the proper mode of, or necessity for obtaining a release from their Militia engagement, enlisted without such release, and have consequently been subjected to stoppage of pay and loss of service for violation of the law and regulations.

There are also, no doubt, many men who have fraudulently enlisted whilst belonging to the Militia, but who have not been discovered, who are serving in the same ranks without any punishment.

As, however, it is probable that many of these men ignorantly conceived that to transfer themselves from one branch of the service to another could be no offence, knowing that their services were much required at a moment of public emergency, Mr. Sidney Herbert considers it but equitable to relieve them from further stoppage of pay and loss of service.

I am to acquaint you, therefore, with reference to the Circulars of this Department referred to in the margin,* that all men who have enlisted into the regiment under your command whilst belonging to the Militia, contrary to law and regulation, and who have been subjected to stoppage of pay for the same, will be relieved from such stoppage from and after the 1st October, 1854, and will be allowed to reckon their service in the Army from that date.

I am further to acquaint you, that such men as have so enlisted, but who are not known to have belonged to the Militia, will, on declaring themselves, be secured from any future consequences of their offence.

I am to request, therefore, that you will transmit to this Department a nominal return of all men of the regiment under your command who are now under stoppages for this offence, showing the date from which stoppages are liable to be credited, to the 30th September, 1854, and the Militia Regiment from which they enlisted; also a return of any men who may now declare themselves as having fraudulently enlisted whilst belonging to the Militia, and for whom therefore no release from their Militia engagement has been granted.

I have, &c.
B. HAWES.

SCHOOL OF MUSKETRY AT HYTHE.

CIRCULAR, No. 1168.

War Office, 31st October, 1854.

SIR,

I AM directed to acquaint you, that the Quartermaster of the School of Musketry at Hythe has been appointed to act as Paymaster of that establishment from the 1st proximo, rendering separate accounts to this Office, to include the pay and allowances of the staff, and also of the detachments sent from the several corps for instruction, with the exception of the pay of the regimental officers, which is to be drawn as heretofore from the regimental agent.

Any party, therefore, of the regiment or depôt under your command, now at the School of Musketry, or who may be sent there after the date of this Letter, is to be duly transferred by No. 1 Report, in the usual manner, into the payment of the Acting Paymaster at Hythe, from and after the 1st November, the men's names being thenceforth borne in the pay list without charge, accompanied by the necessary explanation accounting for their absence, as in the case of soldiers employed on the Recruiting Service.

The advances necessarily made upon the routes of detachments proceeding to Hythe will be recoverable from the Acting Paymaster of the School of Musketry, in whose accounts with this Department all expenditure for the conveyance of parties to the establishment is also to be included.

You are requested to communicate the contents of this Letter to the Paymaster, who will regulate his proceedings accordingly.

I have the honour to be,
Sir,
Your most obedient Servant,
B. HAWES.

COLONELCIES.

GENERAL ORDER.

Horse Guards, 23rd November, 1854.

HER MAJESTY has been pleased to approve of the following Regulations being established, in order to carry into effect the provisions of the Royal Warrant of the 6th of October, 1854, by which the rank of full Colonel is to be given to Lieutenant Colonels who have served in the actual command of Regiments, or in other situations, for the periods therein specified, viz.:—

1. Actual command of a Regiment.
2. Second Lieutenant Colonel of a Regiment.
3. Major and Lieutenant Colonel, or Major in the Household Cavalry.
4. Mounted Officer of the Foot Guards.
5. Assistants Adjutant General.
6. Assistants Quarter Master General.
7. Military Secretary (or Assistant Military Secretary where there shall be no Military Secretary), to such General Officers as are exercising the supreme command on a station.

Three years being fixed as the period of actual service in the several situations named in the margin, no portion of the time which an Officer may have passed on leave of absence will be allowed to reckon as service, except absence on account of wounds received in action, or from ill-health, contracted by service with an Army in the Field, which must be duly certified by the report of a Medical Board, when each case will be separately considered.

In all other cases, the absence of the Officer before he has completed the three years required will be deducted, so that the Officer shall have actually served that time before he be promoted to the rank of Colonel.

Captains and Lieutenant-Colonels of the Foot Guards, promoted as such prior to the 20th of June, 1854, after having held that rank for six years, will obtain the rank of full Colonel, without reference to the duties regimentally performed.

An Equerry to the Sovereign will obtain the rank of Colonel, after having held the appointment, with the rank of Lieutenant-Colonel, for six years.

Officers who obtained the rank of Colonel prior to the 20th of June, 1854, will continue to be exempted from the duties of Field Officers; but Colonels promoted on and subsequent to that day will be included in the Roster of Field Officers, until after five years from the dates of their Commissions as Colonel.

By Command of the Right Honourable
GENERAL VISCOUNT HARDINGE,
Commanding-in-Chief,

G. A. WETHERALL,

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when his Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order "from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active "and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have "been actually employed in the Service of the Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's license and permission doth not authorize, and shall not be deemed or "construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege "appertaining unto a Knight Batchelor of these Realms."

N.B.—Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through his Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

(Signed) CASTLEREAGH.

Her Majesty has been pleased to direct,—

7th. "THAT if the Service for which it is proposed to confer the Order has been performed during "War, the Notification required by the 2nd Regulation must be made not later than two years after "the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two "years of the date of such Service."

8th. "When a British Subject has received the Royal Permission to accept a Foreign Order he will "at any future time be allowed to accept the Decoration of a higher Class of the same Order, to "which he may have become eligible by increase of rank in the Foreign Service, or in the Service "of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance "of the original Order, and common to every person upon whom such Order is conferred."

Foreign Office, August 22, 1843. (Signed) ABERDEEN.

The Queen has made known her pleasure,—

9th. "THAT the 8th Clause of the Regulations respecting Foreign Orders shall not be taken to "apply to Decorations of the Guelphic Order which were bestowed on British Subjects by her pre- "decessors, Their Majesties King George IV. and King William IV., on whose Heads the Crowns of "Great Britain and Hanover were united.

"Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign "for Services rendered according to the purport of the 5th Clause of the Regulations. They must be "rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as "having no reference to Services rendered to the Foreign Crown of Hanover."

Foreign Office, July 6, 1846. (Signed) ABERDEEN.

REGULATIONS RESPECTING FOREIGN MEDALS.

The Queen has been pleased to direct that:

1st. "APPLICATION for permission to accept and wear Medals which, not being the decoration "of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in "the Navy, for military or for naval services, should be addressed, as the case may be, to the Com- "mander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if "they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, "for Her Majesty's sanction; upon obtaining which, they may grant such permission without any "other formality."

2nd. "Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such "Medal is bestowed for military or naval services. But no permission is necessary for accepting "a Foreign Medal, if such Medal is not to be worn."

Foreign Office, January 24, 1851. (Signed) PALMERSTON.
